

The Fire Marshal Association of Louisiana (FMAL) & Louisiana Office of State Fire Marshal (LAOSFM) present

How to apply NFPA 101

Education Seminar

Monday, May 4, 2015

8:00 a.m. - 12:00 p.m.

Louisiana Office of the State Fire Marshal
8181 Independence Blvd.
Baton Rouge, LA

ABOUT THE COURSE

How to apply NFPA 101 **Monday, May 4, 2015**

This presentation goes in depth of how to navigate the codes to properly design these life safety systems and to give contractors and design professionals a better understanding of the requirements to avoid common pit falls.

Class will review:

- How to apply NFPA 101—Life Safety Code and the International Building Code to Fire Alarm Systems and Special Locking Systems

MEET THE INSTRUCTOR

Michael C. McLean

Michael graduated in Architecture in 1990 from Louisiana State University. He has worked for the Louisiana State Fire Marshal's office in plan review for the past 23 years. He is a plan review architect /CBO performing life safety code/ building code plan reviews for contracted municipalities and parishes. His specialization is focused on fire alarm systems and special locking systems. He has given numerous life safety presentations on various topics for industry, the design professional community and architecture students over the past years.
