Investigation into Triple Fatal Fire in Campti Continues

NATCHITOCHES PARISH- Investigators with the Louisiana Office of State Fire Marshal continue to look into the circumstances surrounding a residential fire that claimed the lives of two adults and a juvenile over the weekend.

Natchitoches Fire District #3 responded to the call about the fire in the 1800 block of Clark Road in Campti around 3 a.m. on Saturday, July 14.

The two adult victims were discovered in a bedroom on the north end of the trailer. The juvenile, believed to be a 6-year-old boy, was discovered on the west side of the structure.

The Natchitoches Parish Coroner's Office took custody of the bodies and will determine identifications and causes of death.

At this time, due to the extent of the fire damage, investigators are still trying to determine an exact origin and cause. However, investigators do not believe the fire to be suspicious at this time.
