Re: Agency Survey

Friends,

I can't express to you all enough how honored I am to serve each of you as we together build a fire safe Louisiana! I am so proud to be your State Fire Marshal and be associated with dedicated people in this state who serve as our first responders, public officials, designers, contractors, investors and business entrepreneurs.

I want to reaffirm my commitment to the continued delivery of the services of the State Fire Marshal's Office. I am very proud of the changes over the past few years and take pride in the improved transparency, accountability and elimination of duplication in this office. In doing so we must continue to be visionaries and risk takers to be successful in bringing new and better ways to service our citizens; I enjoy this mission and will always be personally accountable for the results. On March 11, 2008 I asked our Stakeholders to participate in a survey titled, "A New Louisiana – You're State Fire Marshal's Office". We collected very valuable input and information that was used to create our vision of today. In keeping your ideas and needs on the fore front, we are again commissioning a new survey to help us update the plans and initiatives of this office. Please take time to give us your thoughts in this on-line survey. The links are listed below.

Sincerely,

H. "Butch" Browning  
State Fire Marshal
